29	The best features of the Course were	Basic ideas, REALISTIC with current scenario and bring new ideas Good I understand it almost all and cleared about my queries good																			
30	The Course could have been improved by	Extend the number of classes Good It's better and best practical and mathematical touch should be introduced in next session																			
31	The University does not tolerate discrimination on any irrelevant distinction (e.g. race, age, gender) and is committed to work with diversity in a wholly positive way. Please indicate below anything in relation to this Course which may run counter to this objective	Yes agreed. Good
