**Teachers Comment**

Brilliant teacher  
 best teacher  
 Respected sir... Loves his style of teaching while deliberating a lecture and it reaches up to our mind so easily....  
 He is a good teacher  
 satisfied  
 He is brilliant a teacher I really appreciate him  
 Overall teacher is good, his teaching skills are good, bt he must remember tht he is a teacher on uni level, and he must mind his own business, student"s personal life isn"t his property, all the time pointing out student"s personal life, that with whom he or she is sitting, and what they are doing outside the class etc. Because we are students of uni level and making friends are norml but a teacher" mentality must be updated.  
 Thanks!

 He should use easy vocabulary in lecture.. His teaching method is just like PHD level.  
 The teacher is well educated but could not delliver the lecture in a proper way and his behavior is not good. He insulted the students without any reason.  
 He is a great teacher and uses class time constructively.

 The course is too old that not fullfill the neds of today's world.  
 It provides all basic knowledge of prose and is an easy start to a major subject.  
 Prose is not that much difficult and we learnt new things from it.

His way of teaching is superb.            Sir darvish is so kind and soft spoken teacher            He is an authority literature. Very few people may match him in teaching novel. He connects other literary works with his lectures to develope and clarify his students ideas . I never found him late for the class. He observes the time well. His motivations enabled most of our classmates to study and work harder.            A lot of Knowledge in the field of Literature            Authentic teacher has showed his responsibility that he arrived on time for each class &amp; delivered not only the acquire but also extra knowledge to his students. And I'm satisfied from his teaching.            outstanding            He is very punctual .He has a very good command on his subjects .            Really good            Teaching methodolgy is superb            Teaching methodolgy is superb            Teaching methodolgy is superb            Outstanding</p>	<p>INTERESTING            Good enough            Helpful course            teaches well            There should be changes in the course. These novels are old. New novels or novels of the contemporary era must be included.            Increaae our knowledge about language            Novel is the interesting subject of all.            Awsome and good novels are part of our course            He has almost completed whole course            Informative course.
